10:00am: LUCA Technical Assistance

- LUCA Data Format
- Geographic Update Partnership Software (GUPS)
- ArcGIS and Microsoft Excel for Processing Addresses
- Technical Q&A

12pm: Workshop Concludes

LUCA is the only opportunity offered to state and local governments to review and comment on the U.S. Census Bureau's residential address list for their jurisdiction prior to the 2020 Census.

LRGVDC will be hosting the U.S. Census Bureau for this workshop to better prepare our region.

This training workshop is designed for City, County and Local address coordinators, planners, or GIS practitioners to help them understand the LUCA process and how they might participate in the program.

Local Update of Census Addresses (LUCA) Training Workshop

Location:

Lower Rio Grande Valley

Development Council, Building B

Ken Jones Executive Board Room

301 W. Railroad St., Weslaco, TX 78596

www.lrgvdc.org

Participants can expect a detailed view of the process with a technical discussion on address lists and GIS data processing.

Sample data will be reviewed using live software and discuss the census bureau's geocoding tool as part of the process.

Attendees may choose to bring their own laptop, ArcGIS, MS-Excel, and a local address list to explore LUCA processing options.
