

Texas Gas Service®

A Division of ONE Gas

Energy Efficiency Program

Rio Grande Valley

About the Energy Efficiency Program

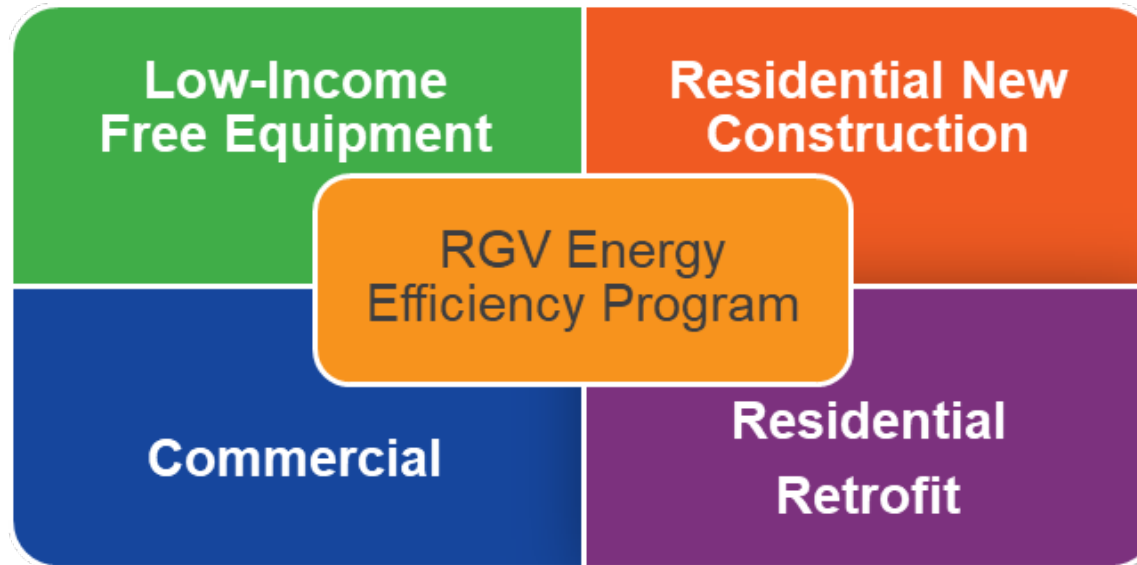

- » Launched in 2016
- » Positively impacts 34 cities in the RGV
- » Works closely with community service agencies, industry leaders and local governments to encourage efficient and cost-effective use of natural gas
- » Supports long-term energy and financial savings for customers
- » Promotes water conservation and reducing environmental emissions

Energy Efficiency Programs

Low-Income/Free Equipment:

- In conjunction with social service agencies, qualifying households can receive new, high-efficiency natural gas appliances installed by local, licensed contractor-partners.

Commercial:

- Rebates/Incentives for various commercial appliances and systems.
- Energy saving equipment installed at no cost by a 3rd party vendor, CLEARResult.

Residential New Construction:

- Rebates/Incentives for builders and homeowners of newly constructed residential homes.

Residential Retrofit:

- Rebates/Incentives for homeowners upgrading to higher-efficiency natural gas appliances or converting to natural gas service and installing natural gas appliances.

Low-Income/Free Equipment Program

- » Provides the purchase and installation of free, high-efficiency natural gas appliances to low-income, elderly and mobility-challenged customers.
- » Referrals are verified and issued by our partner agencies.
 - » Hidalgo County Community Services
 - » Cameron & Willacy Counties Community Projects

Bill Payment Assistance

Help may be available to pay your Texas Gas Service utility bill:

- » Call 211 to find a participating agency in your area.
- » Have your Texas Gas Service account number or most recent bill readily available.
- » Contact the local agency to determine eligibility and apply.
