Lisa@fondrenforensics.com

Rio Grande Valley Area: **Edinburg PD**

Students will learn:

- How to properly operate an Intoxilyzer 9000
- Legal and regulations regarding breath alcohol testing
- Proper courtroom testimony
- Proper record retention
- Effects of alcohol on the body and while driving

In addition to the classroom, there is a practical lab where students will run practice tests and subject tests on the Intoxilyzer 9000.

Students may also receive TCOLE credit for this training.
