**Subject:** RE: "VINYL BUS WRAP PRODUCTION AND INSTALLATION SERVICES ON PUBLIC TRANSPORTATION FLEET"

Good afternoon,

Thank you for your interest in the RFP for Vinyl Bus Wrap Production and Installation Services on Public Transportation Fleet. Responses to your questions are as follows:

1. How many of each vehicle make up the fleet and are in need of being immediately being wrapped?

<u>QTY.</u>	<u>Type</u>
15	New Flyer Midi Buses
41	Type III
7	Mini-vans

The size of this fleet may vary due to addition or subtraction of vehicles and other factors.

2. Are photographs available of the mini vans?

Yes, please see addendum #1 for this RFP

3. Do any of the fleet have any graphics or decals currently that will need to be removed by our installers?

No graphics or decals will need to be removed by the installers

4. Our Firm handles national accounts on a weekly basis and is the process of going through the application registration through the Texas Secretary of State. Can this be finalized post-award of the bid?

Lower Rio Grande Valley Development Council/Valley Metro would prefer that a business is registered to do business in the State of Texas. However, if the responding entity is registered to do business in another state, proof of that registration is needed

Once again, thank you for your interest in the RFP.

Regards,  
Lower Rio Grande Valley Development Council
