**Subject:** RE: Question Concerning RFP Older Americans Act Services Under Title III No 2021-05

Good Afternoon,

Thank you for your interest in the RFP Older Americans Act Services Under Title III No 2021-05.

The following are your responses **in red**.

1. Is Caregiver Information Services an included service that can be addressed in the response or just Caregiver Education and Training?

**Caregiver Information Services – This service may be provided directly or by a subrecipient of the AAA.**

- a. **Unit of Service - One activity. Count only one activity for each event. If provided in a group meeting or an event such as a health fair, each person receives a service; therefore, each eligible person is counted as one contact.**

2. Can Evidence Based Intervention be an included service as well?

**Evidence Based Intervention - This service may be provided directly, provided by a subrecipient of the AAA, or authorized by a care coordinator on behalf of an eligible person for purchase through a contractor.**

- a. **Unit of Service - One Contact. Record one contact each time an older person participates in an activity that is a component of an evidence-based intervention program.**
