

**Questions and Answers related to the CDBG Housing
Rehabilitation/Assistance Program Management
from Shaw Environmental & Infrastructure**

1. You mention a Proposal Form - is there a Proposal Form and how do we obtain it?

A. We meant a two step process, first the SOQ to select qualified vendors to continue with the Process, then the RFQ which we do not have yet a date to release it.

SOQ Schedule:

1. Will all of the oral interviews with all of the selected firms be held on May 21?

A. please refer to addendum # 3 to be post by April 24, 2010

2. Will the oral interviews be conducted by the LRGVDC board or by the Housing Advisory Committee?

A. please refer to addendum # 3 to be post by April 24, 2010

Changes to Selection Criteria (page 5 of 7):

1. The instructions say to "add" the following: 1) and 2). Do you actually mean that the items 1) and 2) should be substituted (instead of added) for the items 1) and 2) of the original RFQ?

A. Yes, on the original criteria we were asking for 1-10 years experience with CDBG related projects/programs, now is 1-5 years.

2. If the firm has experience with Disaster Recovery efforts funded with different federal funds, such as FEMA, can that also be included and considered in Selection Criteria #1?

A. Yes

3. If the firm has experience with Housing projects funded with different HUD or federal funds (other than CDBG, such as HOPE or HOME Program funds), can that be included in Selection Criteria #2?

A. Yes
