Good afternoon,  
Thank you for your interest in the RFP for Direct Purchase of Services.

Your Question:

Are you asking or saying that any individual that may be hired to perform in-home care services to your clients not have any felonies in his/her record?

Response:

It depends on the type of felony. If it is in relation to physical harm to an individual, then this type of person would not be acceptable to provide in-home services.

Once again, thank you for your interest in the RFP. Further questions can be submitted via email to [irgvdc@irgvdc.org](mailto:irgvdc@irgvdc.org).
