

Response to Questions from Traffic Studies

1. What is the budget for this project?

A We cannot legally reveal the budget for this process on an RFP

2. Is there a DBE requirement?

A DBE is always acceptable as long a certificate is submitted.

3. Please clarify **Section 5.1.6**. What certifications are needed for this project?

A Same as # 2 if you have your DBE certificate submit with proposal.

4. Please clarify **Section 5.1.7**. Does this need to be a section in the submission, or is it enough to address these in other parts of the proposal?

A It is enough addressing and understanding your firm will provide all necessary equipment.
